### Please read this page first

The green arrows and instructions will guide you through your tax return

his notice requires you, by law, to send a tax return containing details of your income and capital gains, together with any documents asked for, for the year 6 April 2012 to 5 April 2013. We have sent you this paper form to fill in, but you can also file the tax return online using our internet service (you will need to buy commercial software).

Make sure the tax return, and any documents we ask for, reach us by:

- 31 October 2013 if you want us to calculate the trust or estate's tax or if you file a paper tax return, or both, or
- 31 January 2014 if you file the return online.

Whichever method you choose, the tax return and any documents asked for must reach us by the relevant deadline or we will charge an automatic penalty of £100.

If you file online, you have until 31 January to file the tax return and you will receive an instant on-screen acknowledgement telling you that we have received it. You can still file online even if we have sent you a paper tax return. To file online, go to hmrc.gov.uk/online

If this return has been issued to you after 31 July 2013, then you must make sure that you fill it in and return it by the later of:

- the relevant dates above, or
- three months after the date of issue.

Make sure your payment of any tax the trust or estate owes reaches us by 31 January 2014. Otherwise you will have to pay interest, and possibly a late payment penalty.

We may check the Trust and Estate Tax Return. There are penalties for supplying false or incomplete information.

### Calculating the trust or estate's tax

You can choose to calculate the trust or estate's tax. But if you do not want to, and providing we receive the return by 31 October 2013, we will work out the tax for you and let you know if there is tax to pay by 31 January 2014.

**However**, if you file later than 31 October 2013 or three months after the date this notice was given, see the Trust and Estate Tax Calculation Guide (sent with this return unless we know you have a tax adviser).

# The Trust and Estate Tax Return – your responsibilities

We have sent you pages 1 to 12 of the tax return.

You might need other forms – 'supplementary pages' – if the trust or estate had particular income or capital gains. Use page 3 to check.

**You** are responsible for sending **us** a complete and correct return, but **we** are here to help **you** get it right.

### Three ways we can help you:

- look at the Trust and Estate Tax Return Guide (sent with this tax return, unless we know you have a tax adviser). It should answer most of your questions, or
- go to hmrc.gov.uk/sa or
- phone us on the number above.
